LUNA WILL PLAY HER NEW EP 'TAKING THE BLOW' FROM A BOAT TO YOU

We would like to very warmly invite you to the EP release concert of Luna Morgenstern! Luna will sing from a deck on the Sandor boat to the audience on the quay. With the current measures we provide sitting spots with a 1.5m distance!

Luna Morgenstern makes music that translates the emotions of love, loss and the challenges that a young woman faces in the world. She crafts a crossover of alternative electronic pop and synthesised r&b, where effortless fragility encounters subtle fierceness. delicate, yet danceable.

The concerts of Courtyard Concerts are fully based on donations. So your donation for the artist and organization is greatly appreciated! You can scan the QR code below and place a donation on the GoFundMe page.
